Notes:

**I am changing up a bit this year to further guard your in-school/teaching time. The District Lit Team will meet monthly and includes the Curriculum Coaches, District Literacy Specialist, Curriculum Directors, and myself.**

**The C&I Team at large will only meet quarterly unless a called meeting in necessary. The proposed agenda for these quarterly meeting will be for each department to provide a formal district update of your area. I have scheduled all meetings the week following the BOE and LT meetings.**
